'Prepare for Ofsted's New Framework. Deep Dives in EYFs and Effective Transition into Year 1.'

**High quality training for Primary Headteachers, Senior Leaders and
EYFS leaders. Friday 13th November Virtual Event**

Shonette is an outstanding EYFS and Year 1 practitioner and has designed a step by step simple and impacting programme (with a takeaway pack of resources) to help Teachers, TA's and Senior Leaders prepare for a deep dive of all seven areas of the EYFS. This training will also show you how to transfer EYFS into Year One in a progressive and developmental style that impacts and continues the work done within Early Years.

With Shonette's excitement and enthusiasm for her specialist area of education, it is guaranteed that this CPD will uplift and excite all attendees, they will have their confidence boosted ready to engage with Ofsted Inspector's and proudly show the amazing work they do. Do not be surprised, if after attending, they feel impatient to be 'deep dived'!

Shonette Bason is a Guinness World Record Holder, mother of four, International Speaker and award-winning author. Shonette is different in style and content, from her look to her ability to lift an audience to a whole new level of thinking. She has created a positive global community within education in which educators put their own happiness first to impact on the children they work with.
